APPLICATION FOR SCHOLARSHIP

Through the generosity of our industrial sponsors, the organizers of the Outreach to Engineers Forum will be offering scholarships to cover registration costs, and help offset travel and accommodation costs. The scholarships are open to students and young engineers from around the world.

Hosted by:

Sponsored by:
APPLICATION FOR SCHOLARSHIP

Scholarships are available to:

- Senior Undergraduate Students enrolled in Engineering or Science Curricula.

- Graduate Students (both Masters and Doctoral levels) with specialization in fields such as ocean and/or offshore engineering, civil engineering, mechanical engineering, petroleum engineering, and aerospace engineering.

- Early professionals who graduated with the related engineering or science qualifications and have gained experience in other industrial and research environments but are interested in exploring the exciting career opportunities in the ocean, offshore and arctic engineering fields. Related fields for an early engineering professional might include experience in the automotive and aerospace sectors, building construction, manufacturing, ship building, etc. Many of the engineering skills learned in related fields can be applied to ocean, offshore and arctic engineering.

Maximum Scholarship Amount: $1200 USD

Note: Individual scholarship awards may vary.
Note: Scholarships will be reserved for students and early professionals.
Note: Information on scholarship applications will be shared with our sponsors. Current sponsors are: ABS, GlobalSantaFe, Shell, Technip, Offshore Model Basin, General Dynamics.

I am applying as a: _____Student  _____ Early Professional

STUDENT APPLICANTS:
If you are currently a student, please provide:

Undergraduate ☐ (Year ____ ) Masters Level ☐ Doctoral Level ☐

School ___________________________________________

Faculty ___________________________________________

Current Major/Specialization ___________________________

Are you a student member of ASME or co-sponsoring society? Yes ☐ No ☐ (see www.omae2007.com for list of co-sponsoring societies)

If yes, provide organization __________________________

Are you a co-author of an OMAE 2007 paper? Yes ☐ No ☐

If yes, provide title and paper number:

____________________________________________________

____________________________________________________

Current GPA average ________

Please provide a copy of your latest grades transcript.

EARLY PROFESSIONALS:

If you are currently a professional, please provide:

Current Employer: ________________________________

Job Title: _____________________________________
Duties: _____________________________________________

STUDENTS AND EARLY PROFESSIONALS:

1. Please provide a copy of your resume highlighting academic and professional background including number of years since graduation (if applicable).

2. All scholarship applicants must provide a statement on why you are interested in this opportunity of attending the OMAE 2007 Outreach to Engineers Specialty Forum (Max. 1 page)

4. All scholarship applicants must provide a statement regarding the level of financial assistance you require.

3. All applicants must provide two or more letters of reference by referees familiar with your academic and/or professional background.

In applying for an Outreach to Engineers Scholarship, I agree to attend all presentations and tours.
